

ProEd Global School

Position	Occupational Therapist
Division	School Wide
Reports to	School Principal and Specialist Coordinator
Job Opening	The Academic Year 2023 -2024 (Umalas Campus)

Purpose

ProEducation School is an inclusive international school committed to providing high-quality education for students of diverse backgrounds and abilities. The skilled and dedicated School-Based Occupational Therapist forms part of our Support Team and provides services to our students.

At ProEducation School, we are dedicated to providing our students with the support they need to thrive academically, socially, and emotionally, as lifelong learners, and global citizens, and in life. As the School-Based Occupational Therapist, you will play a critical role in helping our students achieve their full potential. ProEducation School offers competitive salary and benefits packages, as well as a supportive and collaborative work environment.

Qualifications & Experience

- Bachelor's or Master's degree in Occupational Therapy from an accredited program
- Certification and licensure as an Occupational Therapist
- Experience working with children and adolescents with diverse needs and backgrounds
- Familiarity with the Waves of Intervention approach and other evidence-based occupational therapy interventions
- Strong communication and collaboration skills - Ability to work collaboratively with teachers, parents, and other professionals
- Ability to work independently and manage a caseload of students.
- Flexibility and adaptability in a fast-paced and dynamic environment.
- Demonstrated commitment to continuing education and professional development

ProEd Global School

Main Responsibilities

- Conduct screenings, evaluations and assessments of students' motor, sensory, and perceptual skills to identify areas of need and develop appropriate intervention plans
- Work collaboratively with teachers, parents, and other professionals to develop and implement individualised education plans (IEPs) and relevant management plans for students
- Deliver evidence-based, developmentally appropriate occupational therapy services to students, including direct intervention, consultation, and collaboration with teachers and other school staff
- Document student progress and maintain accurate and up-to-date records in compliance with school and legal requirements
- Provide training and support to teachers and other staff on strategies for promoting optimal sensory and motor development in the classroom
- Stay up-to-date with research, best practices, and trends in the field of occupational therapy and education
- Participate in school meetings and professional development opportunities as required
- The therapist's licensing board's scope of practice guides their practice
- The therapist ensures the safeguarding of and an avid duty of care for all learners and abides by their profession's ethical pillars (beneficence, non-maleficence, justice and autonomy)
