

ProEd Global School

Position	Speech and Languages Therapist
Division	School Wide
Reports to	School Principal and Specialist Coordinator
Job Opening	The Academic Year 2023 -2024 (Umalas Campus)

Purpose

Pro Education School is an Inclusive International School that caters to students of diverse backgrounds and abilities. A qualified and experienced Speech and Language Therapist forms part of our onsite Support Team and provides specialized, individualized, and personalized, high-quality services to our students.

At ProEducation School, we are dedicated to providing our students with the support they need to thrive academically, socially, and emotionally, as lifelong learners, as global citizens, and in life. As the Speech and Language Therapist, you will play a critical role in helping our students achieve their full potential. ProEducation School offers competitive salary and benefits packages, as well as a supportive and collaborative work environment.

Qualifications & Experience

- Bachelor's or Master's degree in Speech and Language Therapy from an accredited program
- Certification and licensure as a Speech and Language Therapist
- Experience working with children with various speech, language, and communication disorders.
- Knowledge of different assessment and intervention strategies, including the waves of intervention approaches.
- Demonstrates adequate ability to work collaboratively with teachers, parents, and other professionals.
- Excellent communication and interpersonal skills.
- Shows competence and capacity to work independently and manage a caseload of students.
- The therapist positively accommodates flexibility and adaptability in a fast-paced and dynamic environment.
- Demonstrated commitment to continuing education and professional development

ProEd Global School

Main Responsibilities

- Screen, assess, and diagnose speech, language, communication, and swallowing disorders in students.
- Develop individualized management and intervention plans and therapy goals based on students' needs and abilities.
- Deliver evidence-based speech and language therapy using the waves of intervention approach.
- Provide regular progress reports to parents, teachers, and other professionals involved in the student's learning journey.
- Work collaboratively with teachers, parents, and other professionals to develop and implement individualized education plans (IEPs) and relevant management plans for students
- Conduct training sessions and workshops for teachers and parents on speech and language development, communication strategies, and other related topics.
- Document student progress and maintain accurate and up-to-date records in compliance with school and legal requirements
- Stay up-to-date with new research and developments in speech and language therapy and its relation to inclusive education and the school setting.
- Participate in school meetings and professional development opportunities as required
- The therapist's licensing board's scope of practice guides their practice
- The therapist ensures the safeguarding of and an avid duty of care for all learners and abides by their profession's ethical pillars (beneficence, non-maleficence, justice, and autonomy)
